

# Mastrio

DOMAINE PAETZOLD | RED

This cuvée, which bears the estate's original name, meaning "farm of three", is a moving interpretation of Carignan Noir. To tend and vinify plots of vines planted before the land registry was established in 1905 is in itself a privilege. When we arrived here in 2005, we realised the singularity and potential of these grapes. Today, the estate has 6ha of old Carignan. The best vines produce Mastrio Red, each yielding half a bottle.

Carignan, a slow-ripening late-harvest variety synonymous with finesse, attains optimal maturity at the estate in the second third of October.

Mastrio Red presents a dense deep colour, red and black berry fruit aromas, and hints of spice and garrigue woodiness, creating olfactory depth.

With its silky tannins and mineral freshness, this wine gives the sensation of a powerful yet light structure on the palate.

After 6-8 years, truffle and cocoa aromas supplement the tasting experience, and lead us into the realm of mature tertiary aromas.

**Variety:** 100% Carignan Noir.  
**Vine age:** 110 years and more.  
**Soil:** Gneiss, stones; north and northeast facing plots at 350m altitude.  
**Yield:** 0.35L per vine.  
**Vinification:** Pre-fermentation cold maceration, short vatting, fermentation with native yeasts.  
**Maturing:** 14 months in stainless-steel vats.  
First cuvée in 2006.
